

WESTERN EVENING

At the residence of Mr. and Mrs. Philippe Vinogradoff Consul General of France

SATURDAY, MARCH 21ST, 2009

PAGE 1

Greetings from the President

We are very pleased to welcome you to FIPA's 21st annual fundraising event to benefit the French International Programs of Miami Dade County's Public Schools. Join us also in extending our gratitude to our host for the evening, the Consul General of France in Miami, Mr. Vinogradoff, and his family.

For over 20 years FIPA, a not-for-profit organization, has been promoting and supporting the French I.S. program in Miami-Dade County Public Schools. The I.S. program is a full immersion bilingual American/ French program, teaching 1st grade elementary through 12th grade high-school. It is accredited by the French Government. It brings a great dynamic to the community and a great incentive for French/American corporations to keep an office in the Miami area.

This program is going through challenging times because of drastic budget cuts in the Miami Dade County Public School System. More than ever, FIPA hopes to raise enough money to carry this renowned I.S. Magnet American/French Program through a difficult period.

Tonight we offer a wonderful selection of auction items thanks to our generous sponsors who stepped forward. Please, be generous while bidding for the different items. Making a donation tonight will go a long way to support the French teaching in our public schools.

All donations are tax-deductible within the limits dictated by law. FIPA Tax ID: 59-2803334.

On behalf of all the children, teachers, and parents, thank you in advance for your generous support.

Sincerely,
Bertrand Lecocq,
FIPA President
