

French I.S. Program

JUNE 2010 – F.I.P.A. NEWSFLASH

More “Jules Verne” Teachers

Your Donations at Work!

For the second year in a row, in an effort to support our French I.S. program, the French Ministry of Education and the Cultural Services of the French Embassy are co-sponsoring certified teachers to come to South Florida and pass their knowledge along to our children.

F.I.P.A. finances the teachers' airline tickets and visas.

This year 2010-2011, F.I.P.A. co-sponsors five “Jules Verne” teachers. These teachers will come in addition to the V.I.E.s entirely sponsored by the French government.

Some of the schools benefiting from this help are Sunset Elementary School, Coconut Grove Elementary, Carver Middle School and ISCHS.

F.I.P.A., on behalf of all the parents and children, thanks the French authorities for their constant effort and support. Every parent needs to feel privileged, understand how unique their children's education is and realize how fragile the program is.

F.I.P.A. can do it thanks to the parents' support.
